

DISC The Game™

The **FIRST** and **ONLY** DISC Board Game on the market!

Participants are LOVING it! Through a combination of skill and luck, the winner proves that they are knowledgeable about common behaviors of others. This game works for almost any quadrant behavioral system to teach the concepts, reinforce learning, and incite DISCussion.

For 2 to 12 players. Ages 12 to adult.

Great *training tool!* for Companies, Trainers, Coaches, and Counselors!

DISCfunctional®.info

A free website designed to help users integrate DISC into their daily lives.

Sequenced Learning

Stecin's training is built on a Sequenced Learning philosophy, believing that the order in which things are learned has tremendous impact on the transferability of the skills and knowledge.

Active Learning

Stecin's classes average over 70% activity, because people learn when they're active.
